

In the event that you need
to return your instrument!

Please retain the original packing containers until the instrument has been inspected and proven satisfactory. If we receive damaged items due to improper packaging, you will be charged for repair or replacement.

When returning an instrument, please contact Sutter Instrument as soon as possible for a Return Authorization number. This number should be written on the outside of the box.

Items must be returned within 30 days unless previous arrangements have been made. All shipments returned for credit or exchange will be subject to a 15% restocking fee with a minimum charge of \$5.00.
